

Shimosuwa Town Recycling calendar

April to September 2025 (October 2025 to April 2026 is printed on the back.)

● Please fill in the collection days for your area (see attached sheet How to separate and put out recyclables and garbage)

Recyclables day of week / Landfill garbage day of week / Burnable garbage day of week

○ Collection items vary depending on the week. Check the collection days above against the dates on this calendar to see what items you can put out.

○ Please note that in the recycling calendar, the week that contains the 1st of each month is considered the 1st week.

○ On days marked with an "X", garbage will not be collected at the local collection site. Please do not put garbage out at the collection site. On days marked with a "△", you can bring burnable garbage to the Lake Suwa Clean Center, but recyclable materials and landfill garbage to the Shimosuwa Town Cleaning Center are closed. On days marked with a "○", monthly collection will take place at Akasunazaki Park.

※ The smartphone garbage sorting app "San-arū" is packed with convenient functions such as searching for garbage disposal instructions and a garbage disposal calendar according to region. It's completely free and you don't need to register any personal information.

● Basic rules for taking out the trash

Anything that violates the rules will not be collected. !

○ Please use the designated bags in Shimosuwa Town (recyclables bag, plastic recyclable bags, landfill garbage bags, burnable garbage bags).

○ Please be sure to write your name on the designated bag and tie the top of the bag.

○ Please put out your garbage at your local collection site between 6:00am and 8:00am on collection days.

If it is raining or snowing, do not put out paper items, or put them out in a clear bag to prevent them from getting wet.

○ Please be responsible for your own garbage until it is collected, and keep collection areas clean.

○ Please refer to the attached document "How to separate and dispose of recyclable resources and garbage" to confirm how to dispose of garbage.

<Contact Information> Resident Environment Division 27-1111 (Extension number 141-142)

● Monthly collection of large plastic recyclables (hard only), metal items, dry cell batteries, fluorescent tubes, and light bulbs

As a general rule, collection takes place on the third Sunday of every month from 9:00 am to 11:00 am at Akasunazaki Park parking lot. ※ The dates may change due to various events, so please check the "San-arū" app in advance.

※ Large plastic recyclables (hard only), metal items, dry-cell batteries, fluorescent tubes, and light bulbs can be brought to the Town Cleaning Center.
